Production and Quality Data

I / We authorise Third Party Access to this farm/party data to be made available through Fencepost.com and Aspire to *Infovet* as above.

Owner Signature:

**** NB. This **must** be the farm owner or part owner.

If you have multiple farms that you wish to provide the same access to the same 3rd party, please list the other farm numbers here:

Farmer - Once completed please return or fax this form to the Vet Clinic – 03 418 1750

Vet Office Use – please retain original and fax to Fonterra 0800 102 872

Terms and conditions:

You are responsible for allowing each Third Party User access to each page you have specified above. We will not be responsible for any harm caused to you or others by allowing a Third Party User to view the information or data contained on the pages to which you have provided access, or for any amendments made by a Third Party User to your information or data where access has been granted to a page that allows for the amendment or updating of information or data. Upon termination of this farm/party relationship with Infovet, the signatory is responsible for informing Fonterra in writing to end this data sharing arrangement.
